For comment by COB Friday, 11/17.

These interagency review documents are deliberative and pre-decisional and may not be shared or discussed with anyone outside of the Executive Branch.

Attached for EO 12866 / 13563 interagency review and comment is a regulatory impact analysis and proposed rule from DOI/BLM entitled "***Waste Prevention, Production Subject to Royalties, and Resource Conservation; Rescission or Revision of Certain Requirements***" (a.k.a. the 'Venting and Flaring' rule).
